

RSC SOLUTIONS LAUNCHES RSC HEALTHCARE LLC, EXPANDS FOOTPRINT IN HEALTHCARE INDUSTRY

Healthcare division streamlines strategic recruiting and placement of qualified candidates in health care positions

ROCKLEIGH, NEW JERSEY (July 17, 2018) – RSC Solutions, a leading technology services company, today announced the launch of its healthcare staffing division under the banner of RSC Healthcare LLC. RSC Healthcare LLC simultaneously acquired Assisted Home Care Services, the go-to business for quality facility and home health care resources. The acquisition expands RSC Solutions’ expertise in the healthcare industry with a specialization in staffing area hospitals, nursing homes, assisted living centers, in-home care, private duty nursing and other facilities requiring immediate, temporary and/or long-term health care resources.

Michael Sikora and Kathleen Kiernan of Assisted Home Care Service will be joining RSC Solutions as director of operations and director of nursing, respectively.

“This is an exciting time for healthcare staffing, as it is one of the nation’s fastest-growing industries, and we’re pleased to add RSC Healthcare LLC as a specialized division of RSC Solutions,” said Mark Arzoomanian, Chairman and CEO of RSC Solutions. “It is an honor to welcome the expertise of Assisted Home Care Services to RSC Healthcare. We look forward to connecting patients with quality care givers nationwide.”
